The Board of Education of the Shenandoah Community School District, or Page County, State of Iowa, and the Shenandoah Education Association, agree to the following:

## **ARTICLE I**

### **RECOGNITION AND DEFINITION**

1. The Shenandoah Community School District is recognized as a public employer governed by an elected Board of Directors which is charged by law with the responsibility for and authority to manage and direct the operations of said school district.
2. The Shenandoah Education Association (SEA), as determined and ordered by the Public Employment Relations Board, is recognized as the sole and exclusive bargaining agent for all employees as set forth by the PERB certification instrument case number 132, issued June 25, 1975.

### **DEFINITIONS**

1. The term "Board", as used in this agreement, shall mean the Board of Directors of the Shenandoah Community School District, or its duly authorized representatives.
2. The term "Employee", as used in this agreement, shall mean only those persons who are in the certified bargaining unit and includes classroom teachers, librarians, guidance counselors, and school nurse.
3. The term "Association", as used in this agreement, shall mean the Shenandoah Education Association (SEA) or its duly authorized representatives.
4. "Day" shall mean the employee working day, except during the summer recess when it shall mean days on which the Central Administrative Offices are open, unless otherwise indicated.

## **ARTICLE II**

### **PROCEDURE FOR NEGOTIATIONS**

Initial requests for meetings may be made by either party directly to the other in writing. The Association shall make such requests to the Superintendent, with a copy to the President of the Board. The Board shall make such requests to the President of the Association. Within five (5) days of the date of the request, the parties shall agree to a mutually convenient time and place for the initial meeting.

Both parties agree to good faith negotiations which require a free and open exchange of views by the parties involved. Both parties further agree to meet at reasonable times and places to negotiate in good faith effort to reach agreement in accordance with Chapter 20 of the Iowa Code. Such obligation to negotiate in good faith does not compel either party to a proposal or make a concession.

## **ARTICLE III**

### **GRIEVANCE PROCEDURE**

#### **A. PURPOSE**

The purpose of the Article is to provide for a mutually acceptable method for the prompt and equitable settlements of alleged grievances over the interpretation and application of this Master Contract Agreement. Both parties agree that these proceedings will be kept as informal and as confidential as may be appropriate at any level of the procedure.

#### **B. DEFINITIONS**

1. A "grievant" shall mean an employee, employees, or the Association, filing a grievance.
2. A "grievance" shall mean a claim or complaint by an employee, employees, or the Association in the bargaining unit that there has been an alleged violation, misinterpretation, or misapplication of any of the provisions of this Agreement.
3. Day: As used in the Article, "Day" shall mean the employee working day, except during the summer recess when it shall mean days on which the Central Administrative Offices are open, unless otherwise indicated. The time limits provided herein may be extended by mutual agreement.

#### **C. INDIVIDUAL RIGHTS**

A grievant may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, by an Association representative selected or approved by the Association. If a grievant is not represented by the Association, the Association shall have the right to be present at the formal step and beyond.

If the disposition of any grievance at the informal level is inconsistent or contrary to the provisions of this Agreement, the Association may, at their option, pursue the grievance to the next level.

#### **D. PROCEDURES**

1. Should an employee have a grievance, it should be processed in the following manner:
  - a) Informal Step: An employee who claims a grievance shall attempt to resolve the grievance informally, within fifteen (15) working days after the occurrence upon which the grievance is based by informal discussion with the appropriate immediate supervisor. The immediate supervisor will give his/her

oral answer to the grievance within ten (10) days after the grievance was presented to him/her.

- b) Formal Step: Level One: If the grievance cannot be resolved informally, the grievant or Association may file the grievance in writing with the building principal within five (5) days of the informal discussion with the principal. The written grievance shall specifically state and set forth in detail all the relevant facts upon which it is based, the section of the Agreement alleged to have been violated, the issue involved, and the relief sought. The written grievance shall be filed on a grievance report form as described in Schedule V of this Agreement. The principal shall provide a written answer to the grievant and a copy thereof to the Association within five (5) days after receipt of the written grievance.

Level Two: If the grievance is not settled at Level One and the grievant or Association wishes to appeal the grievance to Level Two, the written grievance shall be submitted to the Superintendent or his/her designee within five (5) days after receipt of Level One Administrators written answer. The Superintendent or his/her designee will, if requested by the grievant, meet with the grievant or Association within five (5) days at a mutually agreeable time to consider the grievance. The Superintendent or his/her designee will provide a written answer to the grievant or Association within five (5) days following such meeting, or from the date of submission if no meeting is requested.

2. If the grievance is not settled in accordance with the foregoing procedure, the grievant or Association may refer the grievance to arbitration by written notice of a request for arbitration, submitted to the Superintendent or his/her designee within five (5) days after receipt of the Superintendent's answer to Level Two. Said written notice shall be signed by the grievant and a representative of the Association. Within five (5) days after receipt of the notice, the parties shall attempt to select a mutually agreeable arbitrator. In the event the parties are unable to agree upon an arbitrator, they shall within ten (10) days after receipt of the notice, jointly request the Public Employment Relations Board to submit a panel of five (5) arbitrators. Each party retains the right to reject one (1) panel in its entirety and request that a new panel be submitted. Within five (5) days after receipt of the panel, the parties' designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order alternately strike a name from the list and the fifth (5<sup>th</sup>) and remaining person shall act as arbitrator.

Upon notification to the arbitrator that he/she has been selected to serve, and after a general description of the pending grievance to be resolved, the arbitrator shall be required to give the parties an estimate of when a written decision on the matter may be issued after the arbitration hearing. If the time period estimated exceeds thirty (30) calendar days, either the District or the grievant or the Association may object to the selection of said arbitrator, and the last arbitrator

struck on the list shall be selected to serve. Subject to the availability and convenience of the Board and Association representatives, the arbitrator shall schedule the time and place for a hearing on the grievance, at which hearing the Association shall first (1<sup>st</sup>) present its evidence, and with each side having the right to file a post-hearing brief. Such a hearing shall be private unless otherwise agreed to by the parties.

3. An arbitrator selected pursuant to the provisions of Section 2 shall have no authority to amend, modify, nullify, ignore, add or subtract from any terms of this Agreement, to substitute the arbitrator's discretion for that of the Employer, unless that discretion is ruled to be arbitrary or capricious, or to make any decision contrary to or inconsistent with or modifying or varying in any way the applicable laws and rules and regulations having the force and effect of the law. No liability shall accrue against the Board for a date prior to the date that the actual event gave rise to the filing of the grievance occurred. The arbitrator will not in any way limit or interfere with the powers, responsibilities, rights and prerogatives of the Board under applicable law. The arbitrator's decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. Consistent with these provisions, a decision of the arbitrator shall, within the scope of the arbitrator's authority, as defined herein and as contained in Section 20.17(6) and 20.18, Code of Iowa, be final and binding upon the parties. The arbitrator may hear more than one (1) grievance involving similar facts, issues and contract provisions, if it is mutually agreed to by the Board and the grievant or Association.
4. The parties will share equally any joint costs of the arbitration procedure, such as the fees and expenses of the arbitrator and a court reporter and the costs of a hearing room, if a room outside the District facilities is required. A transcript or recording shall be made of the hearing at the request of either party; however, the party requesting the copy of the transcript or recording shall pay for each copy. Any other expenses shall be paid by the party incurring them, and each party shall be responsible for compensating its own representatives or witnesses.

#### E. MISCELLANEOUS

1. Grievance Reports: Records which deal solely with the processing of a grievance, such as the grievance forms, administration responses and arbitration award, shall be filed in a separate grievance file, and shall not be kept in the personnel file of any of the participants.
2. Privacy of Hearings: All meetings and hearings under this procedure shall be conducted in private.
3. Release Time: When it is required for a grievant or an Association representative to meet regarding a grievance during the work day, to participate in any meetings

or hearings hereunder, said grievant and representative shall be released without loss of compensation. The Association shall pay for the substitute, provided one is used.

4. Failure at any step of this grievance and arbitration procedure to file, present, process or appeal a grievance within the time limits specified above, shall bar an employee, the Association or its representative from further pursuit of the grievance and any such grievance shall be considered as waived and settled. The failure of the Employer's specified representatives to answer a grievance within the time limits specified above shall be deemed a denial of the grievance which may then be timely appealed to the next step. The time limits specified in this Article shall be strictly observed, but may be extended or reduced by mutual agreement.
5. Year-End Grievance: In the event a grievance is filed at such time it cannot be processed through all the steps in the grievance procedure by the end of the school year, if the grievance and the remedy sought do not involve any monetary expenditure by the District, and if the grievance has been processed through Formal Level One and the remedy sought would not require the change of any work assignments or student scheduling, it may be left unresolved until the beginning of the following school year if the grievant(s) show that to require processing of the grievance in the time lines set forth in this procedure would unduly prejudice the grievant(s).
6. Transmission of Decisions: All decisions rendered at Level One and Two of the grievance procedure shall be in writing and setting forth the decision and shall be hand delivered to the grievant and to the Association where possible. Decisions rendered at Level Three shall be in accordance with the procedures set forth in the section on arbitration.
7. All grievances at Steps One, Two, and Three shall be presented, discussed and processed during Employees' non-working time, except as provided for under "Release Time" defined above.
8. At his/her option, a grievant may be accompanied by an Association representative at any stage of the grievance procedure.
9. No reprisals shall be taken by the Employer against a grievant for exercising his/her rights under the grievance procedure.

**ARTICLE IV**  
**DUES DEDUCTIONS**

**A. AUTHORIZATION**

**B. DURATION**

Deductions shall be in equal payments over a period of eleven (11) months beginning in October. The deductions shall be in effect for one (1) year unless revoked, in writing, by a twenty (20) day written notice to the School District Central Office. Such notice shall be given to the Secretary of the Association within ten (10) school days. Loss of certification by the PERB or non-renewal of this Agreement shall also terminate this deduction

**C. NOTIFICATION**

It shall be the responsibility of the Association to inform its members as to the procedures involved in requesting and terminating this deduction, provide the necessary authorization forms, and to deliver all authorization forms to the Central Office no later than September 25<sup>th</sup>. The procedure shall be outlined on an appropriate form attached to this contract.

**D. TERMINATION**

Members shall submit notification of termination of the dues deductions with a twenty (20) day written notice to the Central Office. Such notice shall be given to the Secretary of the Shenandoah Education Association within ten (10) school days. The form for official notice of termination of dues deductions shall be attached to this contract.

**E. TRANSMISSION OF DUES**

The School District shall make reasonable attempts to transmit to the Association the total deduction for Association dues within twenty (20) days of their deduction, along with a listing of employees for who deduction was made, providing the Association shall hold harmless and defend the Board against any action or claim in relation to such dues deduction, if the Board had made dues deduction in compliance with this Article.

- F. If, for any reason, the School District shall be unable to comply with any of the provisions of this Article with respect to any of the time factors involved, such time factors shall be appropriately revised by mutual agreement between the parties.

## **ARTICLE V**

### **SICK LEAVE**

#### **A. SICK LEAVE**

1. All employees covered by this Agreement shall be granted fifteen (15) days of sick leave each school year as of the first (1<sup>st</sup>) official day of said school year. Unused sick leave days, including those accumulated prior to this contract, shall be accumulated from year to year to a maximum of one hundred twenty (120) days.
2. An employee absent due to personal illness or injury shall, if requested by the District, furnish to the District such reasonable evidence, as the District may desire confirming the necessity for such absence.
3. An employee returning to work from a sick leave shall, if requested by the District, furnish to the District such reasonable evidence as the District may desire that the employee is physically and mentally able to return to active employment.
4. Sick Leave Pool
  - a. All requests by eligible employees to withdraw days from the sick leave pool will be submitted in writing to the Sick Leave Pool Committee (SLPC) for review. The SLPC will be comprised of 2 SEA appointed teachers, 2 administrators and the Secretary to the Superintendent who will serve as secretary for the SLPC. The SLPC will initially determine if the requesting staff member's illness, injury, or infirmity is catastrophic and whether or not the participant is eligible to use sick leave days from the sick leave pool. This decision will be final and is not subject to grievance.
  - b. The intent of the sick leave pool is to provide staff members with additional sick leave benefits in case a catastrophic illness or injury has occurred.
  - c. To be a member of the sick leave pool, an employee must give one sick day each year from their annual allotment until the pool has reached 300 days. When the sick leave pool drops below 300 days, members will be asked to contribute one sick day on consecutive years until the pool has reached 300 days again. The employee must join during the enrollment period in the fall to be eligible. Teachers who have previously been on staff, and have not contributed every year of the Sick Leave Pool's existence, will need to donate the number of days equal to the employee's years of employment during that period, not to exceed five days.

d. An employee may draw from the sick leave pool when and only when the employee has depleted all of his/her "built-up" sick days and personal days.

e. Beginning and first-year teachers may draw up to a maximum of 20 days. Second- and third-year teachers may draw up to a maximum of 40 days. Teachers who have taught in the district four years or more may draw up to a maximum number of days that cannot exceed the number of days left in that school year.

5. Sick Leave Reimbursement - See Article XV, Wages – Salaries, Sick Leave Reimbursement.

#### B. NOTIFICATION

Notification of available sick leave and personal leave will be placed on employee payroll stubs.

#### C. CONTINUATION OF BENEFITS

When an employee has exhausted the paid accumulated sick leave benefits and is still unable to work, he/she shall be granted a leave of absence without pay until the end of the current contract year and all insurance benefits shall be continuously paid by the Board until the end of the current contract year if the employee has furnished the appropriate administrator with acceptable medical evidence that he/she is unable to return to work.

- D. If an employee seeks and is granted a leave of absence under the provisions of Section C of this Article for a period in excess of sixty (60) working days, said employee will not be credited with a year of teaching seniority nor will the employee be entitled to move forward one (1) step on the salary schedule for the following school year.

**ARTICLE XIII**  
**EMPLOYEE EVALUATION**

**A. PURPOSE**

One of the purposes of evaluation is the improvement of instruction, which includes efficiency, effectiveness, and job performance.

**B. DEFINITIONS**

1. Formal evaluations shall mean any evaluation that uses a standardized form approved by the District.
2. Informal evaluations shall mean any other evaluation of work performance not employing this form.

**C. ORIENTATION**

Within three (3) weeks after the employee's duties officially begin, the building principal or appropriate supervisor shall acquaint each employee under his/her supervision with the evaluation procedure or procedures that will be used, and advise each employee of the designated person or persons who will observe and evaluate his/her performance in formal observations. The employee shall be given a copy of the formal evaluation form, as may be used, at that time. No formal evaluation shall take place until an orientation to the evaluation system has taken place.

**D. SCOPE**

The probationary period for new teachers will be three years. The probationary period for teachers who have "successfully completed" a probationary period will be one year. All provisions of Iowa Code Section 279.14-19 will prevail.

All probationary teachers shall be formally evaluated at least two times during each school year. The district may conduct more evaluations during the school year if the performance of the employee warrants evaluation. All non-probationary employees shall have a formal evaluation at least once, but not limited to, every three years.

**E. OBSERVATIONS**

1. There shall be a minimum of one (1) observation for each formal evaluation of a total of twenty-five (25) minutes, minimum observation time. When practical, this observation shall be a consecutive time period.

2. The above sentence, E 1, shall not be construed as to preclude additional formal or informal evaluation during the school year.

#### F. CONFERENCES

1. Any observation for formal evaluations for which there is a written record made by the evaluator shall be followed up by a conference between the employee and the evaluator within ten (10) days of the observation.
2. A copy of each formal evaluation shall be filed in the employee's District personnel file.
3. Both parties shall sign and date the formal written evaluation report which indicates that the contents have been discussed and said meeting has taken place.

#### G. OBJECTIONS

If the employee feels any of his/her written evaluation(s) is incomplete, inaccurate, or unjust, he/she may put his/her objections in writing and have them attached to the evaluation report. The file copy of such objections shall be signed by both parties.

- H. An employee who receives an evaluation which indicates that his/her overall performance is less than satisfactory has the right to challenge said evaluation through the parties' grievance procedure. The evaluation shall be sustained unless it is demonstrated that the evaluation procedures have been violated or that the evaluation is incomplete, inaccurate or unjust. Teachers in the first two years of the three-year probationary period have no right to process grievances related to their performance evaluations or retention of their positions.

## ARTICLE XIV

If an employee elects single coverage, any unused portion of the employer's contribution, less any amount due for the employer's share of FICA (and IPERS, if any) shall be paid to the employee. Any changes in insurance after July, 1990, will be handled as an addition or a deduction from the employee's salary.

The part-time employee agrees to pay a proportionate amount and shall authorize, in writing, a payroll deduction for their portion of the premium. The part-time employee may elect, in writing, to waive or revoke the insurance deductions by a thirty (30) day written notice to the District's Board Secretary.

## **ARTICLE XV**

### **WAGES – SALARIES**

The salary schedule of employees covered by this Agreement is set forth in Schedule I attached hereto and made a part thereof.

#### Placement on salary schedule

Employees will be granted one year increment or vertical step on the schedule for each year of service until the maximum for their educational classification is reached.

When an employee has completed their fifth (5<sup>th</sup>) year in the district, and completes the final step in any educational lane, they shall receive a career increment equal to six and three-quarters percent (6.75%) of the base.

#### Credit for teaching experience

Credit up to the eighth (8<sup>th</sup>) step on the appropriate degree level on the employee salary schedule for teaching experience in an accredited school district may be granted an employee upon initial employment. The Board may grant placement at a higher step in those special instances when the Board, in its discretion, determines that a higher placement is appropriate.

Teachers completing a master's degree in any educational field will be given credit for advancement on the salary schedule. Any hours past the master's degree for movement must be in the same area the employee is currently teaching. Procedures for advancement will be followed as per board policy.

#### Method of Payment

Each employee shall be paid in twelve (12) equal monthly installments on the twentieth (20<sup>th</sup>) of each month. Payment or notification of payment shall be received at the teacher's regular school building during the school year and to an address designated by the teacher during the summer months.

### Schedule based on Phase I and II

The base salary is based on the assumption that the District shall receive the same amount of Phase I and Phase II as it received in 1992-93. In the event that the District receives less Phase I and /or Phase II money than in 1992-93, the salary schedule shall be amended to reflect the entire loss, and all individual contracted dollars shall be reduced accordingly. The alteration in the salary schedule shall come entirely in the reduction of the base salary.

### Phase III – Payments

All aspects of the Phase III program at Shenandoah Community School District shall be in compliance with state law and the most recent Phase III Agreement between the Shenandoah Education Association and the Shenandoah Community School District.

### Horizontal Movement

When possible, any employee seeking a horizontal movement on the salary schedule for the next school year, shall file a letter of intent to seek said movement, with the Superintendent or his/her designee prior to the end of the current school year. In any event, said notice shall be filed no later than October 1 of the following school year.

### Sick Leave Reimbursement

Each employee shall be paid \$17 for each unused sick day upon resigning from the district, provided the employee has been under contract with the district for a minimum of six years. This payment shall be made in July of the next fiscal year.

This item would become effective with the 2001-2002 collective bargaining agreement and will not be retroactive.

### Substitute Teaching During Preparation Time

Teachers may be compensated for teaching during their scheduled preparation time when assigned by an administrator. The compensation rate shall be ten dollars (\$10) per hour (60 minutes).
